

Crypto Terms

Crypto Terms

Last updated: October 22, 2025

Additional terms for crypto payments and NFTs.

1. Volatility

Crypto values fluctuate; no guarantees.

2. Finality/No Refunds

Transactions are final.

3. Jurisdiction Compliance

You must comply with local laws.

4. Utility Language

NFTs are utility tokens for access, not investments.

5. Ownership Verification

Verified via blockchain.

6. Change Policy

Terms may change.
