

Crypto Terms

Crypto Terms

Last updated: October 22, 2025

Additional terms for crypto payments and digital concierge perks.

1. Volatility

Crypto values fluctuate; no guarantees.

2. Finality/No Refunds

Transactions are final.

3. Jurisdiction Compliance

You must comply with local laws.

4. Utility Language

Digital perks delivered through crypto payments confer access only; they are not investment products.

5. Verification

Access credentials may reference blockchain records; concierge verification remains authoritative.

6. Change Policy

Terms may change.
